

starter, smarter, smartest

Online courses to help professionals of all levels to navigate SMSFs

Whether you are at the start of your SMSF education journey, want a better understanding of the essentials of self-managed super funds, or strive to become an SMSF specialist, Smarter SMSF is creating a suite of self-paced online courses to help you and your team to grow and maintain your technical SMSF knowledge.

STARTER

SMSF foundations course

The SMSF foundations course provides you with a fundamental level of knowledge regarding the operation & management of self-managed super funds.

SMARTER

SMSF essentials course

The SMSF essentials course is designed to help professionals understand what is essential to successfully navigate your way through the ever-changing SMSF technical and regulatory landscape.

SMARTEST

SMSF advanced course

The SMSF advanced course is built for those wanting to take their SMSF knowledge to a specialist-level, as the course takes an in-depth view into various SIS, tax and legal issues across the SMSF industry to apply to your SMSF clients.

Delivery

All Smarter SMSF courses are designed as e-learning that are fully mobile responsive, allowing you to access the modules to complete via a PC, laptop, tablet or mobile device.

Why choose us

- ✔ Smarter SMSF is an award winning SMSF education business, and accredited SMSF Educator with the SMSF Association.
- ✔ Our many years of SMSF experience provides great insights to support accountants, advisers and other professionals working within the SMSF Industry.
- ✔ Our courses are available via the Smarter SMSF platform, or as an enterprise solution for organisations that wish to use their own hosted Learning Management System (LMS).

Course benefits

Built by SMSF Specialists

The course has been built and maintain by Aaron Dunn & Tim Miller, two of Australia's leading SMSF specialists.

Currency of knowledge

Gets you and your team's knowledge up-to-date to successfully undertake your SMSF client work.

Flexibility (self-paced)

This fully mobile responsive course allows you to learn in your own time and at your self-pace.

Access to support

Ready-access to support assisting you to successfully work through and complete the course.

Recognised CPD hours

CPD certificate provided recognised CPD hours for the major accounting bodies (CPA, CAANZ & IPA), the SMSF Association and Tax Practitioner's Board (TPB).
