Online courses to help professionals of all levels to navigate SMSFs

Whether you are at the start of your SMSF education journey, want a better understanding of the essentials of self-managed super funds, or strive to become an SMSF specialist, Smarter SMSF is creating a suite of self-paced online courses to help you and your team to grow and maintain your technical SMSF knowledge.

SMSF Association  
Accredited  
Educator

STARTER

## SMSF foundations course

The SMSF foundations course provides you with a fundamental level of knowledge regarding the operation & management of self-managed super funds.

## Delivery

All Smarter SMSF courses are designed as e-learning that are fully mobile responsive, allowing you to access the modules to complete via a PC, laptop, tablet or mobile device.

SMARTER

## SMSF essentials course

The SMSF essentials course is designed to help professionals understand what is essential to successfully navigate your way through the ever-changing SMSF technical and regulatory landscape.

## Why choose us

- ✓ Smarter SMSF is an award winning SMSF education business, and accredited SMSF Educator with the SMSF Association.
- ✓ Our many years of SMSF experience provides great insights to support accountants, advisers and other professionals working within the SMSF industry.
- ✓ Our courses are available via the Smarter SMSF platform, or as an enterprise solution for organisations that wish to use their own hosted Learning Management System (LMS).

SMARTEST

## SMSF advanced course

The SMSF advanced course is built for those wanting to take their SMSF knowledge to a specialist-level, as the course takes an in-depth view into various SIS, tax and legal issues across the SMSF industry to apply to your SMSF clients.

# Course benefits

## Built by SMSF Specialists

The course has been built and maintain by Aaron Dunn & Tim Miller, two of Australia's leading SMSF specialists.

## Currency of knowledge

Gets you and your team's knowledge up-to-date to successfully undertake your SMSF client work.

## Flexibility (self-paced)

This fully mobile responsive course allows you to learn in your own time and at your self-pace.

## Access to support

Ready-access to support assisting you to successfully work through and complete the course.

## Recognised CPD hours

CPD certificate provided recognised CPD hours for the major accounting bodies (CPA, CAANZ & IPA), the SMSF Association and Tax Practitioner's Board (TPB).

## Enhanced by AI

Clarify your learning and enhance your knowledge whilst completing your studies with Smartie AI, powered by Chat GPT4

Students who complete a Smarter SMSF course are eligible to claim a complimentary period of SMSF Association membership, which is available until 31 March of the following calendar year (valued up to \$620).
